VIP customer open time:	09.30
Visitor open time:	10.00
Visitor closing time:	16.00
Breakdown time:	16.00 – 17.30

Stand Breakdown

Our sales team will be visiting your stands throughout the day to gain product knowledge, give feedback and build relationships up until 4pm. **Your stand MUST NOT be broken down until after the exhibition ends at 4pm**. The dismantling of your stand earlier is not only a Health & Safety issue but would be deemed highly unprofessional. **Any stand that begins breaking down before 4pm will face a £250 fine.**

Electrics

Your stand area will be provided with one socket, unless you have booked additional sockets in advance. If you find you need additional plugs, please do not use the ones around you, as these have been organised for specific stands in advance. Find a member of the Savona team who will flag the electrician for you. **Under no circumstances should you use extension cables,** as this overloads the electrics.

Stock & Samples

For those of you that have submitted stock request forms or sent samples to us, you can find your stock in the Savona van located on the promenade above the main entrance to Sandy Park. Please make your way to the van and someone will be there to assist you.

Facilities & Kitchen Use

Prior to show opening, all frying will need to take place in the venue kitchen. You may then fry on your stand throughout the day to replenish for customer tasting. Both hand washing facilities and ice provision can be found around the venue.

There will be refrigeration and freezer storage inside the venue, alongside our own static lorry found on the promenade.

Parking

Parking has been pre-paid by Savona Foodservice for both the set-up day and open day. You can unload at the North turnstile on build-up day. Once you have unloaded your goods from your vehicle you will be required to park in the main car park. If using the car park on Set-Up Day (Monday 8th) please enter your registration number into the tablet on reception upon arrival. This is not necessary for Exhibition Day (Tuesday 9th). **Do not park in David Lloyd car park, as you will be fined.**

If you have any queries, please do not hesitate to ask one of the Savona staff who will be happy to assist you. Thank you for your support, and we hope you have a brilliant day.
